Michael:

The doc. was processed back in August and I just posted it up to the website.  
It will take a few minutes to refresh on the website. Will send you a link when I see it up live.

Hi, Michael – As you requested during our last discussion on TRW Microwave, attached is a technical memorandum prepared by GES that summarizes the 2020 SSD system inspection conducted at the onsite building currently leased by Apple. Please let me know if you have any questions or need any additional info.
